Part 1:

# Understanding

Sustainable  
Development Goals

# Objectives

01

---

Why is your department or agency actively working on the 17 SDGs? Demonstrating a case for achieving the SDGs can make your report stronger.

02

---

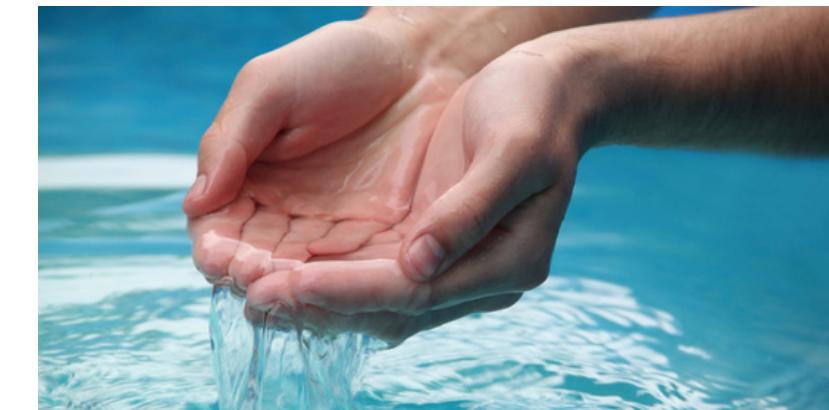

Why is your department or agency actively working on the 17 SDGs? Demonstrating a case for achieving the SDGs can make your report stronger.

03

# Impact Goals

## Impact # 1

Keep it balanced! How is the society contributing to the problems the SDGs want to address, and how will the government help to solve them?

---

## Impact # 2

Keep it balanced! How is the society contributing to the problems the SDGs want to address, and how will the government help to solve them?

---

## Impact # 3

Keep it balanced! How is the society contributing to the problems the SDGs want to address, and how will the government help to solve them?

Shelter Space

Sustainable  
Development Goals

# Impact #1

Keep it balanced! Elaborate how society is contributing to the problems the SDGs want to address, and how the government plans to help solve them.

When the negative and positive sides are acknowledged, there's more clarity in what needs to be solved.

Shelter Space

## Impact #2

Keep it balanced! Elaborate how society is contributing to the problems the SDGs want to address, and how the government plans to help solve them.

When the negative and positive sides are acknowledged, there's more clarity in what needs to be solved.

Sustainable  
Development Goals

# Impact #3

Keep it balanced! Elaborate how society is contributing to the problems the SDGs want to address, and how the government plans to help solve them.

When the negative and positive sides are acknowledged, there's more clarity in what needs to be solved.

Part 2:  
**Prioritizing**

Sustainable  
Development Goals

# Priority SDGs

There are 17 SDGs and 169 targets. These are all important, but some will be more relevant than others. This section can identify the specific SDGs and targets the organization is prioritizing.

## Priority Goal #1:

**"To end poverty  
in all its forms  
everywhere."**

Explain why this goal is a priority.  
List the targets specified by the UN  
that government wants to achieve  
as an indication that the goal is met.

Explain why this goal is a priority.  
List the targets specified by the UN  
that government wants to achieve  
as an indication that the goal is met.

## 6 CLEAN WATER AND SANITATION

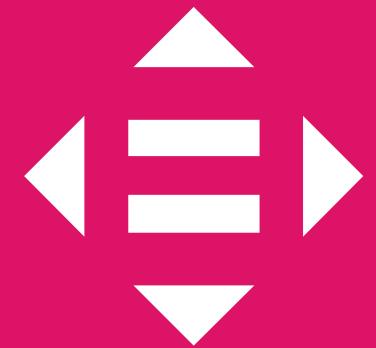

Priority Goal #2:

**"To ensure availability and sustainable management of water and sanitation for all."**

Explain why this goal is a priority. List the targets specified by the UN that government wants to achieve as an indication that the goal is met.

## 10 REDUCED INEQUALITIES

### Priority Goal #3:

**"To reduce inequality within and among countries."**

Explain why this goal is a priority. List the targets specified by the UN that government wants to achieve as an indication that the goal is met.

Explain why this goal is a priority. List the targets specified by the UN that government wants to achieve as an indication that the goal is met.

# Methodology

Use this section to discuss how government will achieve the goals and targets it committed to accomplish.

Provide a brief description also on how progress will be measured in the context of the chosen goals and targets.

Part 3:

# Measurement

Sustainable  
Development Goals

# Progress Update

## Key update 1

---

Keep your important update in short, tight headers so it's easy to skim.

## Key update 2

---

Keep your important update in short, tight headers so it's easy to skim.

## Key update 3

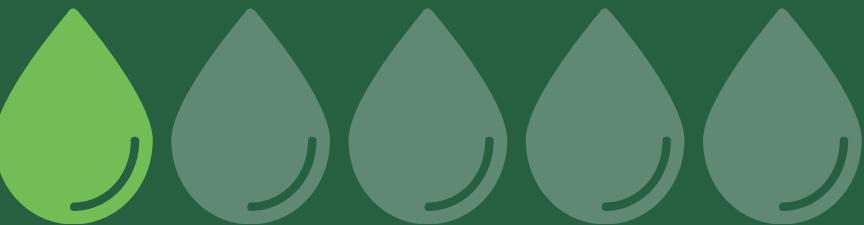

---

Keep your important update in short, tight headers so it's easy to skim.

Put a newsworthy statistic and provide a brief explanation.

# Programs reached 16,800 beneficiaries by Q1 2031

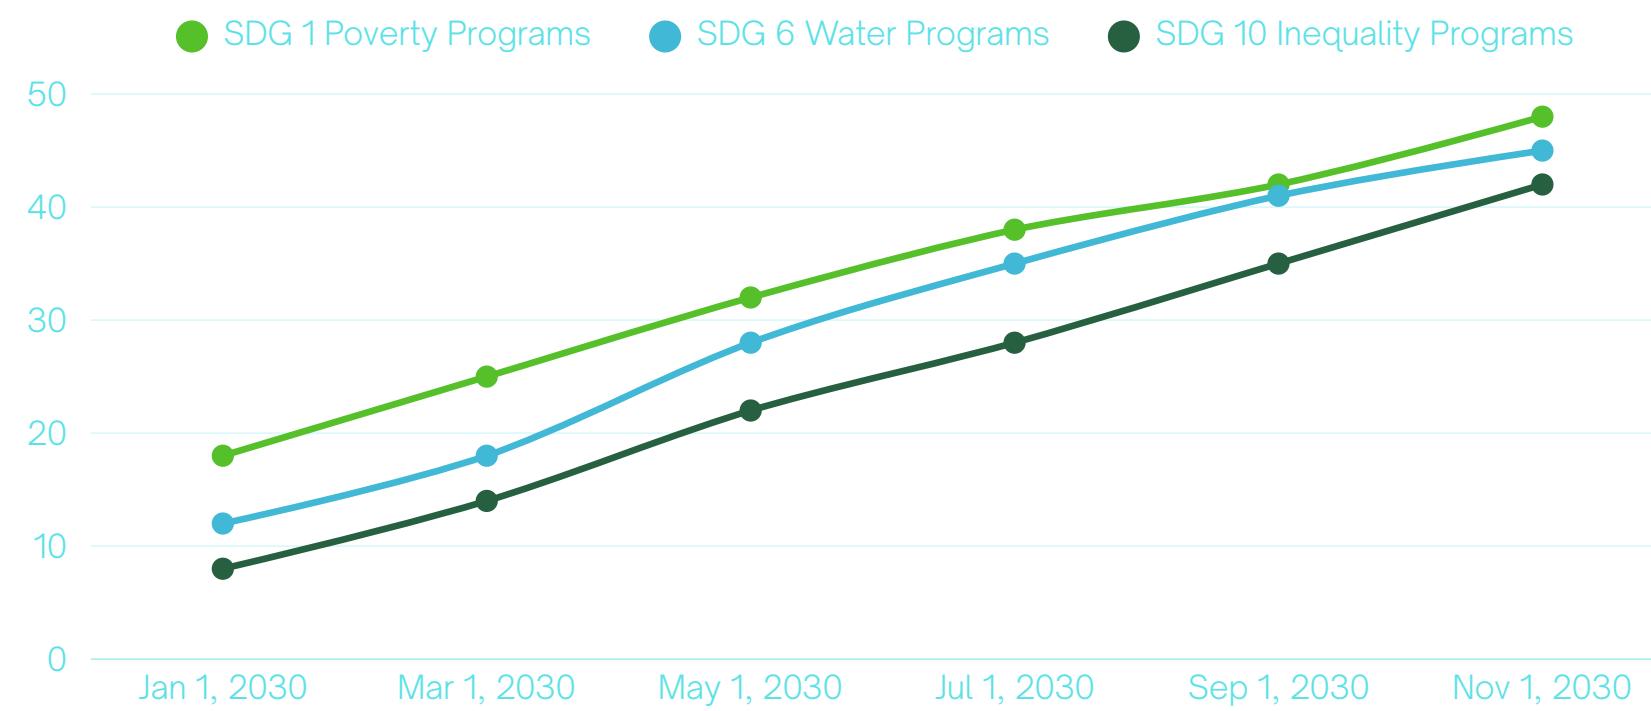

Cross-SDG integration accelerates impact, with comprehensive programs serving nearly 6,000 beneficiaries through interconnected poverty, water, and equality initiatives.

Sustainable Development Goals

**Canva Tip:** This chart is linked to the sheet on this page. Select the chart to change the data selection or settings.

SDG Focus	Beneficiaries	Quarter	Cumulative Total
SDG 1: No Poverty	1500	Q1 2024	1500
SDG 6: Clean Water	2200	Q2 2024	3700
SDG 10: Reduced Inequalities	3100	Q3 2024	6800
Cross-SDG Integration	4200	Q4 2024	11000
Comprehensive Impact	5800	Q1 2025	16800

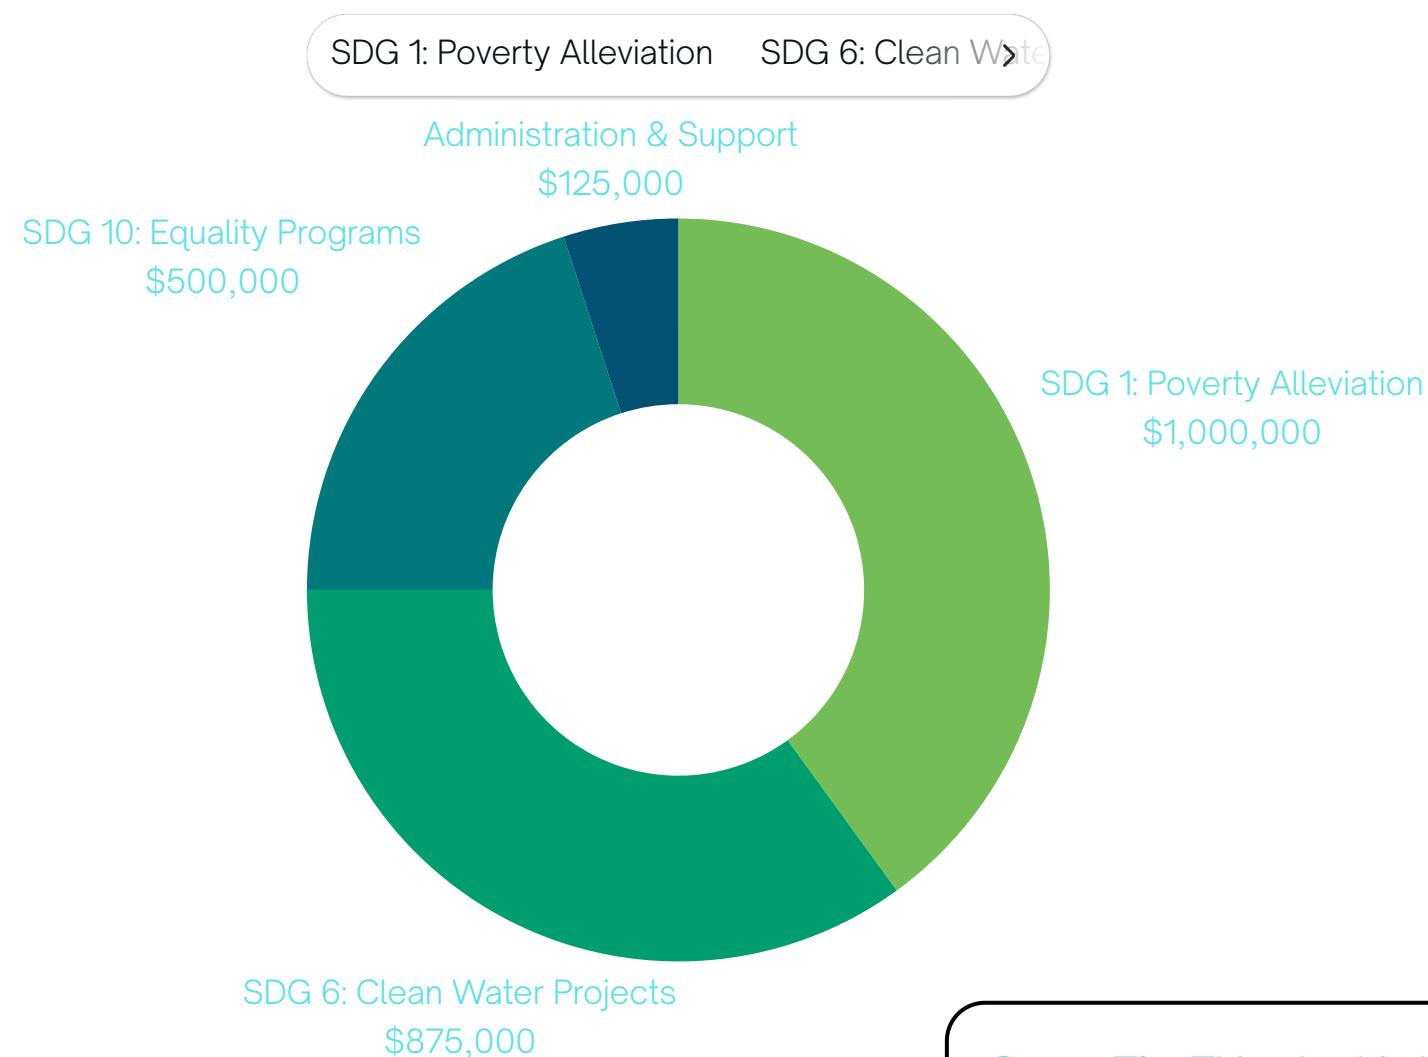

# All priority SDGs show strong growth; poverty programs leading

Poverty alleviation programs (light green line) lead growth at 48 active programs, while water and equality initiatives show accelerating expansion.

**Canva Tip:** This chart is linked to the sheet on this page. Select the chart to change the data selection or settings.

## 75% of our resources targets poverty and clean water impact

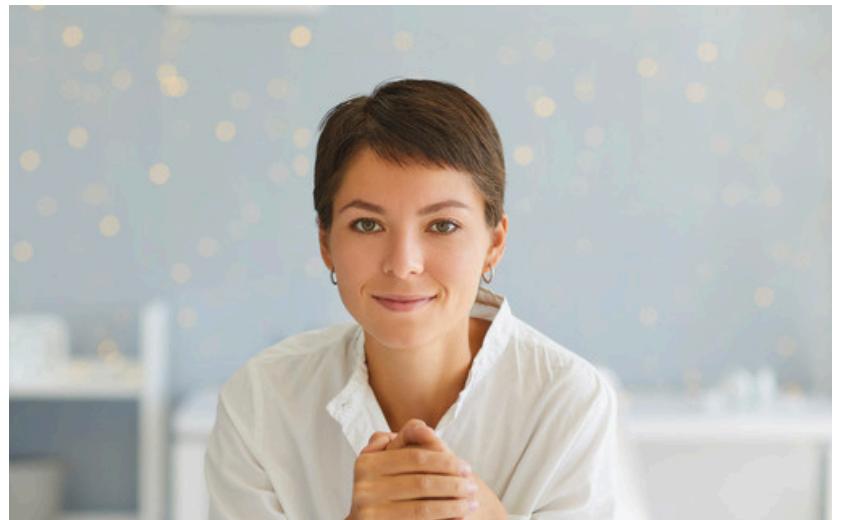

Strategic allocation prioritizes poverty alleviation (40%) and clean water (35%) while maintaining efficient operations and growing equality programs.

Priority SDG	Percentage	Budget Amount	Program Focus
SDG 1: Poverty Alleviation	40%	\$1,000,000	Housing & Economic Support
SDG 6: Clean Water Projects	35%	\$875,000	Water Access & Sanitation
SDG 10: Equality Programs	20%	\$500,000	Social Justice & Inclusion
Administration & Support	5%	\$125,000	Operations & Management

# Resource Page

Want more flexibility as a presenter? Record your presentation to engage in a way that works for you — and let your audience watch in a way that works for them.

Delete or hide this page before sharing.

Go to **Uploads**, then **Record Yourself**.

All recordings will be saved on Canva in your **Uploads** folder.

Edit your recording. Feel free to adjust the background, volume, and duration.

Need multiple presenters?  
Select **Share** then update **Collaboration link** to **Can edit**.

Share editable link. Assign team members to record their sections.

You can also mix live presentation and recorded videos to make your session more engaging.
